

Order Form

Recognition Awards

Rev. February 2020

Production Items: Since the names were not listed on the entry we will need to verify all names and roles with the entrant to confirm the purchaser significantly contributed to the award-worthiness of the entry. Orders will not be processed until we receive confirmation.

Commemorative Emmys®: Stations, studios and production companies may order a Commemorative Emmy® statuette for public display at their place of business (up to a maximum of three per winning entry). Only the **original Emmy® recipient name** is eligible to be engraved. No changes can be made to the engraved text except adding the word *Commemorative*.

Replacement Emmys®: All pieces of the statuette must be returned to the NATAS-NCCB Emmy® office before placing order.

Orders will not be processed until payment is received. Shipping is not included in price and is listed separately.

Engraving Entrant Information

Information will be engraved exactly as entered *unless* this is for a Commemorative Emmy® in which case the original engraving will not be changed.
